I undertake to safeguard the data secrecy as per Sec. 8 Para. 1 of the Federal State Data Protection Act Rhineland-Palatinate (LDSG).

I am aware that it is prohibited to unlawfully process personal data for a purpose other than the one pertaining to the fulfilment of the respective legitimate task or to unlawfully disclose it. The obligation shall continue even after the completion of my work.

It has been indicated to me that the provisions of the General Data Protection Regulation, the Federal State Data Protection Act Rhineland-Palatinate as well as other obligations to secrecy due to legal provisions (e.g. the civil service law, the collective bargaining law, the tax law, the social security code) must be observed.

I am aware that infringements of the obligation to compliance with data secrecy can be penalised with a fine or terms of imprisonment; the punishability as per other provisions, e.g. Sec. 203; 353 b Penal Code (StGB) shall remain unaffected.

A copy of this obligation to comply with the data secrecy obligations has been provided to me.
