In 2016, the Department of International Affairs: ISGS once more invites high flying executives from internationally renowned companies to present step stones of global careers to PhD candidates. These networking dialogs highlight the professional and personal competencies required in the industry, and give hints for assistance within decision-making processes. In the course of this informal meeting the young researchers will have the opportunity to present their own career plans and receive honest feedback.

Networking Dialog with the Head of Division Information Systems at Fraunhofer IESE
Dr. Jörg Dörr

Date: Monday, September 05, 2016, 5:00 - 7:00 pm
Place: Building 36, 262 (ISGS Center/Meeting Place)
Language: English & German
Participants: Postdocs, PhD candidates, research associates & Master students
Target Faculties: Computer Science, Electrical & Computer Engineering, etc.
Registration: Registration only via email (until September 01) to: doktoranden@isgs.uni-kl.de > Subject: “Dörr”

About Dr. Jörg Dörr:
- After graduating from TU Kaiserslautern with a PhD Degree in Computer Science, Dr. Jörg Dörr started his career at Fraunhofer (IESE) Kaiserslautern as head of the Requirements and Usability Engineering department.
- In 2013 he was Co-Chair of the REFSQ 2013 conference on Requirements Engineering: Foundation for Software Quality
- Today, Dr. Dörr is head of the Information Systems division at Fraunhofer (IESE) Kaiserslautern
- His work areas include all software engineering areas for information systems, with a special focus on requirements engineering
- Furthermore, Dr. Dörr is lecturer at the TU KL in “Requirements Engineering” and author of more than 60 peer reviewed publications and member in many international and national program committees
