In 2016, the Department of International Affairs: ISGS once more invites high flying executives from internationally renowned companies to present stepping stones of global careers to PhD candidates. These networking dialogs highlight the professional and personal competencies required in the industry, and give hints for assistance within decision-making processes. In the course of this informal meeting the young researchers will have the opportunity to present their own career plans and receive honest feedback.

Networking Dialog with the
Plant Manager of Opel Kaiserslautern
Mr. Manfred Gellrich

About Mr. Manfred Gellrich:

- After a practical formation as motor mechanic and studies in the field of mechanical engineering, Mr. Gellrich started his career at the Adam Opel AG in 1992:
