In 2017, the Department of International Affairs: ISGS once more invites high flying executives from internationally renowned companies to present step stones of global careers to PhD candidates. These networking dialogs highlight the professional and personal competencies required in the industry, and give hints for assistance within decision-making processes. In the course of this informal meeting the young researchers will have the opportunity to present their own career plans and receive honest feedback.

Networking Dialog with the CEO of Empolis Information Management GmbH

Date: Tuesday, March 07, 2016, 5:00 - 7:00 pm
Place: Building 39 (ISGS Center/Meeting Place)
Language: English & German
Participants: Postdocs, PhD candidates, research associates & Master students
Target Faculties: Computer Science, Electrical & Computer Engineering, CVT
Registration only via email (until March 03) to: doktoranden@isgs.uni-kl.de > Subject: “Empolis”

More about Dr. Stefan Wess:
