In 2017, the Department of International Affairs: ISGS once more invites high flying executives from internationally renowned companies to present step stones of global careers to PhD candidates. These networking dialogs highlight the professional and personal competencies required in the industry, and give hints for assistance within decision-making processes. In the course of this informal meeting the young researchers will have the opportunity to present their own career plans and receive honest feedback.

Networking Dialog with the Director Business Development at Fraunhofer IESE & Head of the Research Group for Software Engineering at TU KL (AGSE)

Date: Monday, April 03, 2016, 5:00 - 7:00 pm
Place: Building 39 (ISGS Center/Meeting Place)
Language: English & German
Participants: Postdocs, PhD candidates, research associates & Master students
Target Faculties: Computer Science, Electrical & Computer Engineering, CVT
Registration: Registration only via email (until March 31) to: doktoranden@isgs.uni-kl.de > Subject: “Rombach”

About Prof. Dr. Dr. h. c. Dieter Rombach:

- Having earned his PhD in Computer Science at TU KL, Prof. Rombach served as Executive Director of Fraunhofer IESE from its foundation in 1996 until 2014. In the beginning of 2015 he then became Director Business Development of Fraunhofer IESE.
- He held the Software Engineering Chair in the Department of Computer Science at TU KL since 1992
- Dieter Rombach is Chairman of the Board of the Science Alliance Kaiserslautern, member of the Gesellschaft für Informatik (GI) and a Fellow of ACM and IEEE Computer Society
- He has authored more than 200 scientific publications, received numerous awards, and serves as scientific advisor to business, industry, and government.
