In 2018, the Department of International Affairs: ISGS once more invites high flying executives from internationally renowned companies to present step stones of global careers to PhD candidates. These networking dialogs highlight the professional and personal competencies required in the industry, and give hints for assistance within decision-making processes. In the course of this informal meeting the young researchers will have the opportunity to present their own career plans and receive honest feedback.

**Networking Dialog with the Responsible for Mathematical Modeling of Fraunhofer ITWM & Graduate of TUK**

- **Date:** Wednesday, April 11, 2018, 5:00 - 7:00 pm
- **Place:** Building 39 (ISGS Center/Meeting Place)
- **Language:** English & German
- **Participants:** Postdocs, PhD candidates, research associates & Master students
- **Target Faculties:** Mathematics, Computer Sc., etc.
- **Registration:** Registration only via email (until April 08) to: doktoranden@isgs.uni-kl.de > Subject: “ITWM”

**About Dr. Christian Salzig:**

- Dr. Christian Salzig is graduate of TU Kaiserslautern where he received a diploma in Technomathematics, including the minor subject of electrical engineering.
- From 2005 to 2008, he was awarded a Ph.D. scholarship of the Graduate School of the Department of Mathematics, TU Kaiserslautern.
- Since 2008, he has been scientific assistant at the Fraunhofer Institute for Industrial Mathematics (ITWM), where he is responsible for Mathematical Modeling within the Department of System Analysis, Prognosis & Control.
- His main fields of research include: Statistics, modeling of nonlinear dynamical systems, and control theory.
