In 2021, the Department of International Affairs: ISGS once more invites high flying executives from internationally renowned companies to present stepping stones of global careers to PhD candidates. These networking dialogs highlight the professional and personal competencies required in the industry, and give hints for assistance within decision-making processes. In the course of this informal meeting the young researchers will have the opportunity to present their own career plans and receive honest feedback.

Networking Dialog with the Head of Cloud Technology Studio - Accenture

Dr. Christian Gerber

Dr. Gerber holds a PhD in Computer Science from the University of Saarbrücken. He started his career in the IBM IT Consulting division & at DFKI Kaiserslautern. In 2005, Dr. Gerber joined Accenture CAS as Director Business Consulting. In 2007 he became Vice President of the Center of Excellence & Director of the Software Product Development Dept. of Accenture CAS. 2014 he became Director Solution Architecture at Accenture Digital in charge of all Digital topics of the DACH region, ranging from eCommerce, Portal, Digital Marketing, Analytics, IoT, Mobility & AI.

“Solution Architecture” contains the technical architecture of a future system as well as the setup of the future project, incl. estimation, staffing, pricing, and project planning. Since early 2021 he is the head of the Cloud Technology Studio at Accenture DACH.
