In 2022, the Department of International Affairs: ISGS once more invites executives from internationally renowned companies to present step stones of global careers to PhD candidates and Master Students. These networking dialogs highlight the professional and personal competencies required in industry and give hints for assistance within decision-making processes. During this informal meeting students and young researchers will have the opportunity to present their own career plans and receive honest feedback.

### Networking Dialog with the Director HR of the General Dynamics European Land Systems-Bridge Systems

**Date:** Thursday, July 14, 2022, 4:00 (sharp) - 5:30 pm approx.

**Place:** Building 39 (ISGS Center/Meeting Place)

**Language:** English & German

**Participants:** Postdocs, PhD candidates, Master students etc.

**Target Faculties:** CVT, Computer Sc., Electrical & Computer Engineering, etc.

**Registration:** only via email (latest by July 8th) to: fsj@isgs.uni-kl.de (first come, first served)
